With a hep, hep, hep we march along,
Winslow High, to you we're true
With a hep, hep, hep and a cheering song,
Fighting, working and rooting for you.
You're our pride and honor, Winslow High.
You're our inspiration too
For your learning we're yearning,
Hope high is burning—
That's our toast to you.

Dedication

*F*or more than three decades now you have served the needs of education in our community. We know that it is because of your faithful work that our library ranks as one of the best, if not the best, in our state.

We have caused you much trouble at times in library but the students who are earnest in getting an education will respect and thank you for this help in the days and years to come.

You have also shown your interest in the teaching profession by holding positions of leadership in educational organizations in our state.

Your world travels have become an inspiration to everyone who has seen your colored slides and heard your lectures.

For a person who has devoted half a life time to helping others, we take this opportunity to show a token of our appreciation by dedicating the 1960 METEOR to you

Mrs. Mary A. Godsell

Foreword . . .

Other parts of the body assist the speaker but the hands speak themselves. —By them we ask, promise, invoke, dismiss, threaten, entreat, deprecate. —By them we express fear, joy, grief, our doubts, assent, or penitence; we show moderation or profusion, and mark number and time.

Examine a hand, any hand. It may be large and brawny, it may be small and dainty. The size of the hand does not matter. It remains a wonderously engineered, marvelously constructed mechanism.

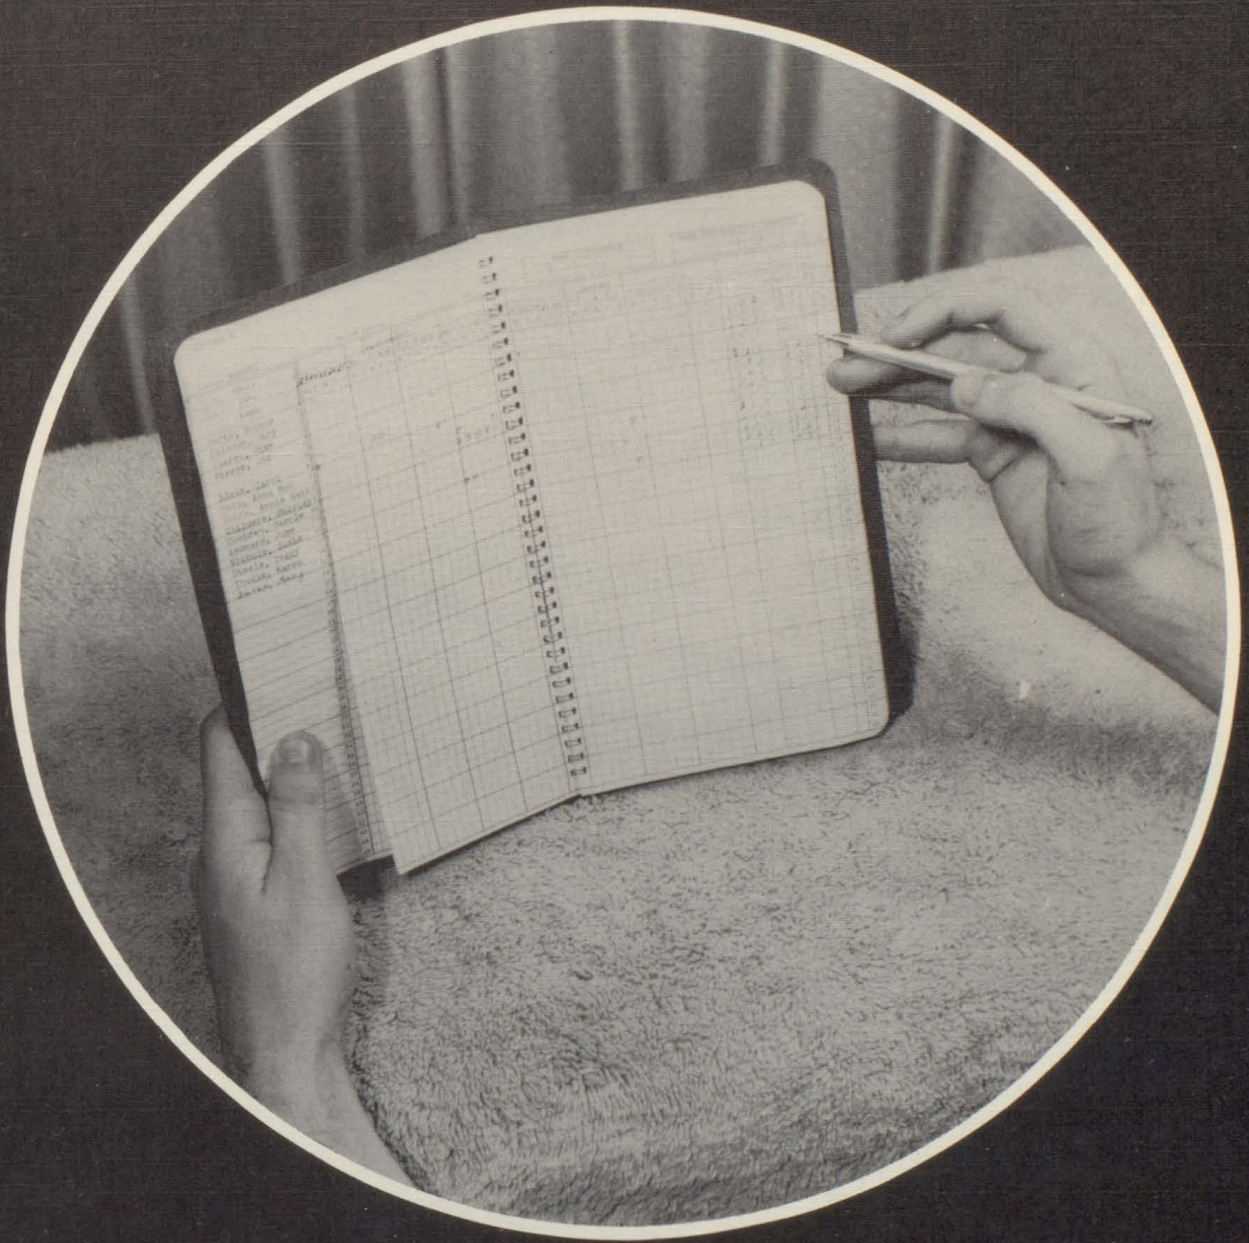

Rough and untrained, the hand can do little. But train it, guide it; it becomes the instrument by which man's thoughts are translated into deeds. It is the deeds of our hands that we have tried to record here for the pleasure of the mind.

It is not possible to divorce the hand from the rest of the body. The body is a union of coordinate parts, no part is subordinate. The counterpart, then, guides and directs the hand in its varied, complex doings. The only purpose of this school is to carry on the development of the mind. The fruits of our hands are recorded in these pages.

Like all we must admit that in this work our hands have failed as well as succeeded. We simply say, like the prophets of old, "What our hands found to do, we did it with all our might."

Administration and Faculty

Within their hands
Is placed the destiny of our race.
It is their task to see
That youth learn the need to fill their place.

MRS. BONNIE BRENNAN, Board President

Special honor is given to Mrs. Brennan this year. When she retired in December she completed 23 years of service on the board of education—longer than anyone else has served. During her seven terms, this dedicated woman has seen 1,488 students graduated. Mrs. Brennan graduated in 1909 from eighth grade in Lincoln School. She says Winslow didn't have a high school until 1912 and by that time she had a job and didn't further her education. Her three sons graduated from WHS.

"W" Club

The "W" Club was organized in 1931 for Winslow High School lettermen. The purpose of the club is to promote interest in athletics and sportsmanship and to provide fellowship for boys who have qualified for membership by lettering in a sport. Funds for "W" Club sponsored projects and activities are raised by dues and selling popcorn at athletic events. Projects each year include planting grass on the football field, which costs about \$600. The "W" Club also buys the film for the movies that are taken of the football games.

Bulldog Band

Mr. Jack Hokanson
Band Director

The Winslow High School Symphonic and Marching Band offered students a wide range of music activities with performances at pep rallies, football games, parades, concerts, assemblies, and clinics.

The band attended several out-of-town football games and the ASC Homecoming. The band hosted the Flagstaff High School Band during homecoming festivities here. A combined half-time show was given.

Money was raised for the trips this year by the sponsorship of the United States Air Force Band for Washington, D. C., and the annual Band Auction over KVNC. The band again took first place in the Winslow Christmas Parade in November.

The Play

"The Mikado," by Gilbert and Sullivan, is a comedy of a young emperor's son, Nanki-Poo. Nanki-Poo is forced to flee his father's court in order to avoid marriage with an elderly and ugly lady, Katisha. In the town of Titipu, Nanki-Poo disguises himself as a wandering minstrel. The plot thickens, and Nanki-Poo falls in love with a lovely, young school maiden, Yum-Yum. He wants to marry her but can't because she is betrothed to the Lord High Executioner, Ko-Ko. The play continues with mass confusion and Yum-Yum and Nanki-Poo are married and Ko-Ko and Katisha are also married. The emperor, the Mikado, appears on the scene and manages to straighten out the confusion. Everything ends happily with songs and dances.

Season Review

The Bulldogs emerged this season with a 5-5 record. They proved to have that old fight "spirit" that seems to be a traditional attribute of the Winslow Bulldogs.

Under the fine direction of coaches Emil Nasser and Carl Weatherton, the squad produced some of the school's outstanding players this year. The team as a whole was considered too small physically but "where there's a will, there's a way." With this proverb in mind the Bulldogs fought their hardest to the very last second of each game. And the important thing about this year's season is that the Bulldogs worked more as a team.

Dean of Northern Arizona coaches, Coach Nasser closed his 13th season at W.H.S. with 122 games played — 76 of them wins and 34 losses and two ties, a 69 percentage.

It may appear as a bull session here but there was a slight discussion on whether the Bulldogs made a touchdown or not. The referees ruled that it was and added 6 points to the score — downing double "A" Prescott 29-0.

FINIS to a high school football career is the thought here. 15 Bulldogs will be lost this year. They are (FRONT ROW): Murphy Blanford, Rolland Coffey, Sam Davis, Eddie Ornelas, Mike Juarez, Bobby Hart, and Bob Ackerman. STANDING: Coach Emil Nasser, Lyndon McAdams, Donald Stromberg, Tony Dahlen, Randall Carter, Tommy Mitchell, Gary Calhoun, Bill Collinsworth, and Danny Thompson.

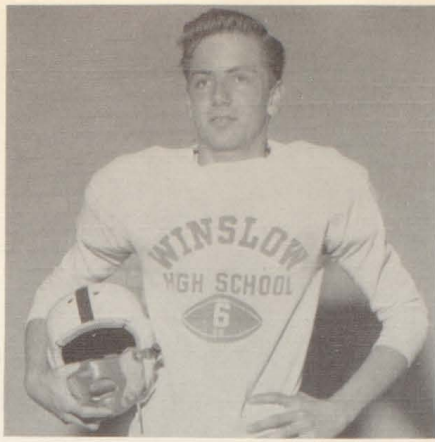

Mr. Herman McArthur, Trainer

An indispensable man for the team is Mr. Herman McArthur, trainer for the three squads. Mr. Mac is responsible for the physical condition of squad members. He does even more, his inspiration has kept morale of the team up. In his four years here, Mr. Mac has proved his worth over and over again.

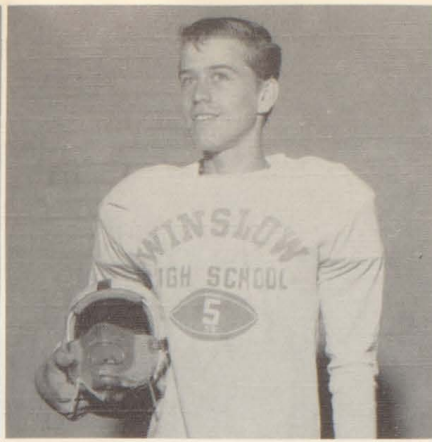

Team Managers
Fred Coffey and Bill Randall

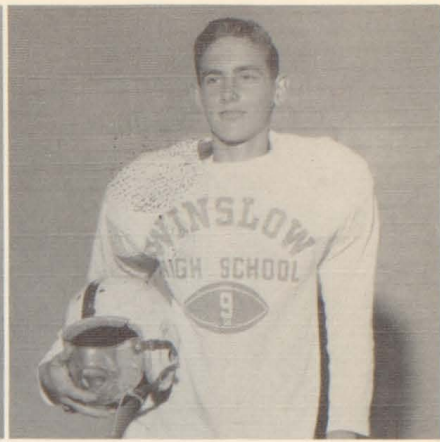

Their job doesn't bring much glory as a part of the squad, but if the services of the team managers, Fred Coffey and Bill Randall, were absent, chaos would probably be the result. They are responsible for team equipment and the many other jobs connected with a football team.

With the Bullpups in the majority of the winning column, the season was a success in almost every aspect. The only two losses were to Page's varsity and Prescott who simply outclassed the Pups.

They were under the leadership of a new coach, Mr. John Hall, who teaches in the Junior High. He was assisted by Coach John Edwards, also a teacher in the Junior High.

The varsity will benefit greatly from the experience gained this year by the Junior Varsity squad.

Freshman Squad

The Freshman football team completed the season with a record of 3 ties and 2 losses. Coach Ellis McIntosh, who has been frosh coach for five years, said that this was the best defensive ball club that he has worked with.

Many of these boys will be on varsity next year and much will be expected of them by Head Coach Nasser. The fine thing about these boys is that they are still young and can be molded into fine outstanding ball players.

The 1959-60 Junior Varsity basketball team experienced a successful year of competition during season play, finishing with a record of 9 wins and 10 losses. However, against Class A North teams, the Bullpups won 7 and lost 4. A highlight of the season was the winning of the consolation championship in the annual Winslow Christmas Holiday Tournament. The Bullpups lost to the Flagstaff Eaglets in the first game of the tourney, but came back to edge the St. Johns jayvees 43-41 to cop the consolation trophy for Winslow. Don Schaar was the leading scorer for the season, canning a total of 242 points, and average of 12.7 points a game.

Varsity Wrestling

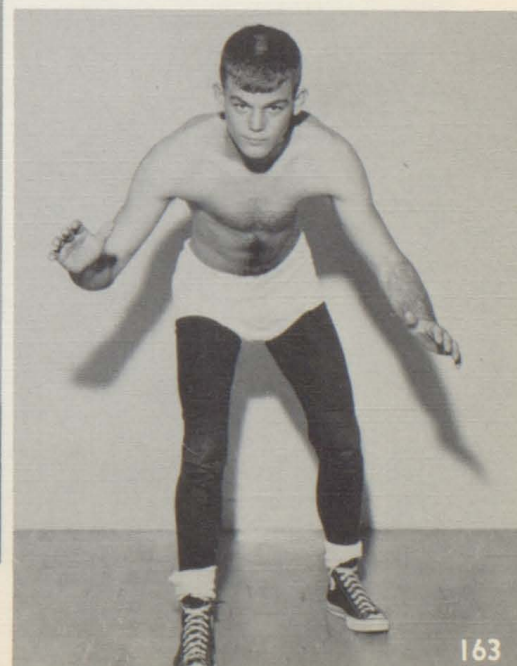

Wrestling is officially coming into its own in Northern Arizona thanks to Mr. Herman McArthur. Under his capable leadership Winslow had the first team in the North. Almost every northern school has a squad now and Winslow beat each one this season. The matches lost out of eight encounters were to powerful and fully experienced valley teams.

The J.V. baseball team had hard luck this season. Their only win was against Flagstaff, and they lost two to the Flagstaff squad. Holbrook also beat the Bullpups twice and Agua Fria once. Several cancellations and novelty mixups caused a limited schedule. Holbrook came here once and the Bullpups had gone there. Another time we expected Holbrook and they were waiting for us.

Even with a poor showing this year, Coach Weatherton hopes to put some of the squad to good use next season.

Under the fine coaching of Mr. Stein and Mr. Parker the Winslow track team had a fair season. Winslow didn't win very many meets but they always took first in some events.

Five boys went to the state tournament in Tucson and Peter Mitchell took fourth place in the half mile. Winslow took two first places in meets against Holbrook. They took second place in the Olmstead Relays, Kingman Triangular, and the Navajo County meet, and third place in the Winslow and Holbrook Invitational.

Mr. Stein, who has served as coach for three seasons, has announced his resignation and will re-enter college.

Mr. Parker will move to Flagstaff junior high next year.

Here is your book! We, the yearbook staff, have had it for a year and now it is yours. Many long hours have gone into the production of this book, but the staff and I feel that it was worth every minute of it.

In the production of the 1960 *Meteor*, many people are to be thanked, among them are:

Mr. Forest R. Martin for the guidance, understanding, and encouragement he has given me in the editing of this book;

Mr. Harry Summers of the Winslow Photo Supply and his assistant Mrs. Frances Herrera, go my special thanks for without their efforts it would have been almost impossible for any of the pictures to have appeared in this book;

And to my staff for the respect of my opinions and for the co-operation they have given me.

We have endeavored to present all phases of the life in Winslow High School from September to June, and to bring you a bigger and better yearbook. This book is bigger, but you yourself will decide if it is better.

This is your book of memories of the life in Winslow High School, school year 1959-1960. It will certainly be a lasting memory for me. I sincerely hope that you will enjoy the 1960 *Meteor* as much as I have enjoyed editing it for you.
